

Licensing Advisors

Local firms and organizations

with projects in construction or with other programming

OnSite Guide for Local Advisors

ARE candidates

needing AXP experience

Combine & Enjoy the results!

nycoba | NOMA ONSITE

Let us show you what you can accomplish when a group of professionals come together.

LOOKING TO GAIN KNOWLEDGE AND AXP CREDITS?

The OnSite program offers instructional materials, interactive discussions, and a tour of spaces under construction.

Handouts/Materials

We provide instructional materials about the site.

Discussion

We offer interactive group discussions.

Site Visit

Hard hat tour of project under construction.

This program is a collaboration with local firms, each led by a licensed architect who will act as a mentor to sign off on credit hours for participants. Candidates who are actively participating in AXP and NOMA members should be given priority at sign-up. Help foster this unique opportunity for AXP candidates.

Site Tour Sponsors so far:

KPF

Urbahn Architects

BKSK Architects

FXCollaborative

How To List

Step 1: Host firm expresses interest to local chapter via form

Step 2: Local chapter review and approval

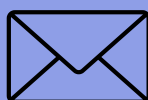

Step 3: Open up event for registration

Step 4: Provide attendee info to host firm

Step 5: Host firm provides details to attendees including safety protocol

Step 6: Site visit!

Step 7: Send instructions to attendees for AXP reporting
